2019 Annual Conference and Business Meeting

“New Brunswick's Young Farmers: Above & Beyond”

What defines a young farmer? A young farmer is someone who goes above what is expected and beyond any barriers put in front of them. Through their endless dedication, and insatiable appetite for innovation and development, they are able to establish themselves as key players in New Brunswick's agricultural landscape, and build successful businesses and thriving communities.

The 2019 New Brunswick Young Farmers Forum Conference will focus both professional and personal growth for NB's youth in agriculture. This year's event will be held on January 18th, 2019, at the Crowne Plaza Beaverbrook Hotel in Fredericton, NB. A block of rooms has been reserved for those who require overnight accommodations under NBYFF. Reservation website: https://book.passkey.com/event/49818831/owner/55344/home?lang=en_US
